Chuck Black is the author of sixteen novels including the popular Kingdom Series, The Knights of Arrethrae series, and the Wars of the Realm trilogy.

Have some fun and support the NDHSA convention while you're at it! Each year we host a Silent Auction during the

convention. We ask our attendees to bring to the convention their own purchased items or donated items secured from area businesses. These are displayed and made available for attendees to bid on throughout the specified time period on Friday and Saturday. Bids are made anonymously on bidding sheets next to the items. Participants are each given a bidding number to use when placing bids. Donated items must be new. Possibilities include but are not limited to: gift baskets ~ gift certificates (to gas stations, hotels, restaurants, movie theaters, etc.) ~ clothing ~ household decor ~ tools ~ toys ~ books/ dvds/cds

If you plan to ask local businesses for donated items, you are welcome to use the "Silent Auction Request" and "Silent Auction Receipt" forms available at www.ndhsa.org
